## NOTICE TO EMPLOYEE

### KEEP THIS RECEIPT—IT IS IMPORTANT

8477-41 - Your employer has withheld Victory Tax from your wages or other remuneration, in accordance with the Revenue Act of 1942. The amount the employer has withheld, which he is required to pay to the collector of internal revenue, is shown on the other side of this form. This amount should be taken as a credit against the tax shown in your income and Victory Tax return for 1943 due to be filed on or before March 15, 1944. If the amount withheld is larger than your Victory Tax and income tax combined, the balance is refundable by the collector of internal revenue. This statement is your receipt for the amount of tax withheld. You may be called upon to show it in support of the credit or overpayment. For this reason, you should *keep this receipt*.

88 - Whether or not Victory Tax has been withheld, if your gross income was more than \$624 in 1943, you are required to make a Victory Tax return. Such return, which is combined with the income tax return, must be filed not later than March 15, 1944. No refund will be made unless a return is filed.

89. Copies of the return forms may be obtained from the collector of internal revenue for your district.
