

CAMP REYNOLDS BUSINESS SPONSORSHIP INFORMATION

Yearly Business Sponsors wanted to help develop, preserve and share the history of Camp Reynolds for future generations.

Brief History of the Camp

Camp Reynolds was a WWII Army Camp from 1942 to 1946. It was located in Mercer County PA in Pymatuning and Delaware Townships. It was one of only two Army camps that were built specifically as replacement depots in WWII. An estimated one million servicemen passed through the camp on their way to the European & Pacific Theaters of War.

The camp was also used as a Base POW Camp with four branch camps and was the Army's first full time Canvas & Webbing Repair Shop.

After the camp was abandoned by the Army the community of Reynolds was developed into a residential and industrial area.
